

INDEX TO VOLUME 123

A

Abdomen, Chemotherapy in Traumatic Surgery of the, 44.

Abdominal Aorta and the Inferior Vena Cava, Traumatic Arteriovenous Fistula Involving the, 580; Signs, Thoraco-abdominal Wounds without, 992; Surgery in an Evacuation Hospital, 32; Wall in the New Born, Congenital Defect of the, 898.

ABELL, IRVIN: *discussion* on dyschondroplasia, 687.

Abscess, Brain, An Analysis of, Observed During the Past Thirty Years, 785; of the Brain, Craniotomy and Total Dissection as a Method of, 789; Lung, Complicating Penetrating Wounds of the Chest, 48; Lung, Muscle-flap Closure of Cavity Resulting from, 664.

ACKMAN, DOUGLAS and SMITH, FREDERICK: The Role of Chemotherapy in Wounds and Surgical Infections, 70.

ADAIR, FRANK E., and HERRMANN, JULIAN B.: The Use of Testosterone Propionate in the Treatment of Advanced Carcinoma of the Breast, 1023.

ADDRESS of the President: The Transylvania Medical Library, 481.

Adenolymphoma of the Parotid and Submixillary Salivary Glands, 1075.

ALLEN, ARTHUR W.: *discussion* on choledochoduodenostomy, 855.

Amputations, Supracondylar, 473.

Analysis of Brain Abscesses Observed During the Past Thirty Years, 785.

Anesthesia, Refrigeration, for Amputation, 937.

Aneurysm, Cirroid, of the Scalp, 591; of Hepatic Artery, 427; of the Lower Extremities, Management of, 601.

Angiomatous Malformations of the Brain, 766.

ANNOUNCEMENT: Department of Anesthesia at McGill University, 1119; The Edward D. Churchill Lecture, 1119; Samuel D. Gross Prize for 1945, 160; Urology Award, 472.

Anus, Further Observations Upon Imperforate, 877.

Aorta, Abdominal, and the Inferior Vena Cava, Traumatic Arteriovenous Fistula Involving the, 580.

Appendicitis, Gangrenous Suppurative, 900.

Arm, Lymphedema of the, Prevention and Treatment of Postoperative, 925.

Arteries, Battle Injuries of the, in World War II, 534.

Arteriovenous Fistula, Traumatic, Involving the Abdominal Aorta and the Inferior Vena Cava, 580.

Artery, Aneurysm of Hepatic, 427; Internal Carotid, Results Following Bands and Ligatures on the Human, 384; Ligation, Sympathectomy for Ischemia Following Femoral, 304; Omphalomesenteric, Intestinal Obstruction Due to Persistence of the, 315.

Arthritis, Monarticular, (Aseptic Necrosis) of the Hip, Muscle-flap Transplant for the Relief of Painful, 641.

Ascariasis, Biliary, 299.

B

BAKER, HILLIER L., and HALLEY, HENRY: Neurofibroma of the Small Intestine with Passive Hemorrhage, 1067.

BAKER, L. A., *et al.*: Aneurysm of Hepatic Artery, 427.

Bakes Common Duct Dilators, Modified, 1120.

BANCROFT, FREDERIC W.: *discussion* on bony defects with osteomyelitis, 703.

BARKER, DONALD E., *et al.*: Methods of Closure of Decubitus Ulcers in the Paralyzed Patient, 523.

BARKER, NELSON W., *et al.*: Traumatic Arteriovenous Fistula Involving the Abdominal Aorta and the Inferior Vena Cava, 580.

Basic Principles in Geriatric Surgery, 1101.

BATTLE, LEE H., JR., *et al.*: Abdominal Surgery in an Evacuation Hospital, 32.

Battle Fractures in the Mediterranean Theater of Operations, Delayed Internal Fixation of Compound, 1; Injuries of the Arteries in World War II, 534; Wounds of the Thoracic Cavity, 321.

BEECHER, HENRY K.: Pain in Men Wounded in Battle, 90.

Bile Duct, Congenital Cystic Dilatation of the, 119.

Biliary Ascariasis, 299.

Bladder, Wounds of the Urinary, 999.

BLADES, BRIAN: Mediastinal Tumors, 749; *closing remarks*, 765.

BLOCKER, T. G., JR., and WEISS, L. R.: Use of Cancellous Bone in the Repair of Defects about the Jaws, 622.
